16th October, 2014

To

The Deputy Commissioner
Kendriya Vidyalaya Sangathan
All Regional Offices

Sub: Skills in Environmental Studies Through Language and Maths in Early Grades i.e. classes I & II.

Madam/Sir,

As you are aware NCF-2005 has prescribed Environmental Studies as a separate subject at classes III-V but it recommends to integrate environmental component with language and Mathematics for classes I & II.

NCERT has published a document on "Skills in Environmental Studies Through Language and Maths in Early Grades". This document is compendium of a variety of field-tested activities involving EVS skills in Languages and Mathematics for classes I & II.

You are requested to direct all the Principals under your jurisdiction to procure the above document published by NCERT to be used by the teachers handling EVS in classes I & II. Action taken in this regard may be informed to the undersigned by 31.10.2014.

Yours faithfully,

(Dr V.Vijayalakshmi)
Joint Commissioner(Acad)
