Dear Colleagues,

Teachers' Day is a special way for thanking & remembering every bit of contribution our teachers have made in the lives of students.

Teachers form a significant part of every educational organization. Be it school, college or any other institution, teachers play an important role in shaping the lives of the students by educating them and guiding them to the right path.

Teaching profession is not an ordinary profession. It is in fact the mother of all professions. If there were no teachers all other professions would not exist. While this gives universal respect to the teachers, it also bestows upon you greater responsibility. There is no better resource for a school than teachers who are empowered and equipped to solve problems using their own talent and experience. KVS has reached the apex level only because of your dedication, sincerity and relentless love for your profession.

I would like to thank you all for your devotion and expect that you will continue with the same diligence and enthusiasm to inspire students.

The contribution of our teachers should be celebrated every day. Not just one day in a year.

I wish you all the best on this special occasion.

ज्ञान शक्ति समारूढः, तत्त्वमाला विभूषीतः।
भुक्ति मुक्ति प्रदाता च, तस्मै श्री गुरुवे नमः॥
