It is heartening to note that KVS has been considered as separate entity to sponsor two teams of Boys and two teams of Girls under -19 years from Kendriya Vidyalayas located in different State/UTs. It is a pride moment for all of us to be an active partner in this event which will help our children to play football and excel in skill, fitness and competence, and showcase their talent at all India level.

Therefore, you are all requested to take personal interest in ensuring effective participation by selecting the best two teams of boys and girls for participation this tournament. Following points should be kept in mind while selecting the teams.

1. The each region will select best two teams of boys and girls U-19 from the amongst all KVs located in a particular state and UTs.
2. Students born on or after 1st January 1999 will be eligible to participate in this tournament.
3. The team will comprise 22 members including 01 team manager and one coach.

While four KVS teams can participate in one State, the Deputy Commissioners of multiple ROs located in one state are directed to decide the representation of each RO in consultation with each other for example the ROs of Lucknow, Varanasi and Agra should decide which Region will send one or more teams. In case, one region has KVs located in more than one State, the RO will send team from all the states under its jurisdiction.

You are further directed to be in touch with the authority of concern CAPF who would be contacting you and also provide the following details of our teams .
