To

The Deputy Commissioner
Kendriya Vidyalaya Sangathan
All Regional Offices

Subject: Vidyarthi Vigyan Manthan(VVM) – a National talent search for future India – reg.

Sir,

With reference to the subject cited above this is to inform you that Vigyan Prasar in association with the National Council of Education Research and Training (NCERT) of Ministry of Human Resources Development and Vijnan Bharati (a non profit organization led by eminent scientists) is co-assisting a National Talent Search Examination named Vidyarthi Vigyan Manthan (VVM) focused on school children of class VI to XI across the country.

It is a platform to inculcate and generate interest in pure science, foster excellence in students and nurture and mentor them for their career in science. A special website www.vvm.org.in has been developed for large scale participation from schools and students. Registered students will undergo multi-level testing and successful students will get a chance to undertake study tours and interactions with renowned scientists of our country.

You are requested to disseminate the information to all schools under your jurisdiction and encourage students to participate in the programme.

This is for your information & necessary action.

(Dr.V.Vijayalakshmi)
Joint Commissioner (Acad)
