Dear Teachers,

Message

05th Sep. 2022

Happy Teacher's Day to all the teachers of Kendriya Vidyalaya Sangathan.

I take this opportunity to pay my heartfelt tributes to Dr. Sarvepalli Radhakrishnan ji, who played an important role in education and upliftment of Indian culture. His ideals and principles are guiding everyone of us in the field of education even today.

India is a country where Guru has been given a higher position than God. It shows, how important responsibility lies on the shoulders of a teacher. The direction the nation in times to come, completely depends on the teachers of today, because teachers are the future builders of the nation. Teachers prepare the strong foundation on which the building of the nation will stand.

The promptness and dedication with which our teachers kept the flame of education lit despite the odd challenges of the Corona pandemic was the result of their dedication and service. From quick assimilation of digital platforms to their meaningful use for education, our teachers themselves went ahead and turned disaster into opportunity. Such innovations were made by many of our teachers, which proved to be very beneficial for the students. Even after the Corona pandemic has passed, the new lessons learned in this crisis will continue to prove useful for us in future also.

New times have new requirements and to fulfill them, new paths are adopted. That is why the new National Education Policy will have a very important contribution to fulfill the requirements of India of the 21st century. Kendriya Vidyalaya Sangathan has played a leading role in the implementation of National Education Policy-2020 and our teachers are constantly working in this direction. I believe that with the tireless efforts of our teachers, Kendriya Vidyalaya Sangathan will very soon achieve all the goals of the National Education Policy-2020.

Once again wishing you all a very Happy Teacher's Day.

Regards + best wishes

Nidhi Pandey
