15 December, 2020

Message of Commissioner on 'KVS Foundation Day'

Dear Colleagues and Students,

Today, 15th December, 2020 is a momentous day for the Kendriya Vidyalaya Sangathan as we are celebrating its 57th Foundation Day. As you all know, KVS started its journey with the acquisition of 20 regimental schools of Indian Army in 1963 and with the passage of time, it has grown continuously in its stature.

It would not be out of context to mention that Kendriya Vidyalayas are considered pace setting institutions in the field of school education by encouraging innovation and experimentation in pedagogical approaches through transformation of educational administration and management. We have been successful in achieving several milestones during these years in the scholastic and co-scholastic areas. We are proud of our collective efforts and accomplishments.

Amidst the challenges and threats posed by the Covid-19 Pandemic, we have been continuously making our untiring efforts to facilitate the teaching & learning process through online mode. Our teachers and students have shown the highest degree of dedication and commitment. To an extent we could curtail the learning loss of students during this unprecedented time.

As you all are aware that National Education Policy 2020 (NEP - 2020) has been announced by the Government on 29th July, 2020. The NEP-2020 opens up wider scope of pedagogical methodologies, technology integration in learning and new approaches of learning. The policy paves the path for the all-round development of the learner and also prescribes 360 degree holistic system of assessment for learners. Now, the assessment of the progress of the learner would be done rather than making the assessment of inabilities and failures of a learner. We need to imbibe the spirit of NEP and reconfigure ourselves to the pedagogical changes.

KVS has its significant role to play in the implementation of NEP-2020. I am confident that with your dedication and hard work, we will be able to make teaching-learning a joyful experience.

I convey my hearty congratulations to all of you and wish a very prosperous and safe time ahead.

Nidhi
